Dear Mr. Gorsky,

I am writing to commend Phil Burleson, Jr. Mr. Burleson represented me with Hutchins Police Department when I was fired for reporting corrupt activity within the department. He was able to get the charges overturned by the city council, and I was reinstated with full back-pay and benefits. My good name and record was restored. Throughout the entire process, Mr. Burleson was there for me. He provided a shoulder to cry on, solid legal counsel, and superb representation. I never felt that he was just "doing a job". He became involved and believed in me from the beginning.

Mr. Burleson treated me at all times with respect with compassion. He was prepared when we attended meetings and it was obvious that he spent many hours reviewing my case. Even during the times that I was bitter and emotional, Mr. Burleson remained calm and consoling. He was a rock during the storm. Words fail me in trying to describe how pleased I am with his representation. I have included a copy of the letter sent to TMPA regarding my satisfaction.

In conclusion, Mr. Burleson is an asset to his profession and to your firm. I would not hesitate to recommend him to any of my friends and colleagues. He represented both TMPA and your firm with compassion, intelligence, and enthusiasm. Please thank him again on my behalf.

Sincerely,

Emily Owens
